Julie Hamill @hamill_law

I've gone back and forth about whether to share this, but I think it's important to be transparent. During a deposition today in the Alliance case, counsel for the County, a Sheppard Mullin partner, introduced several very personal exhibits. One was a photo of my son.

Note - I am the LAWYER, and my son is absolutely not relevant to this case in any remote sense.

Julie Hamill @hamill_law · Jul 31

Over the course of the deposition, he persisted in attempting to intimidate and embarrass me and my client, literally bringing her to tears by repeatedly stating her address on the record over privacy objections.

Julie Hamill @hamill_law · Jul 31

My sanctions motion over past egregious conduct was denied. I am not going to waste my time with another one. However, I'm not sure where to go from here. We are paying government lawyers to stalk and harass women and their families.

Julie Hamill @hamill_law · Jul 31

This requires a legislative and political solution. You should all be deeply ashamed for funding this abuse @SupJaniceHahn @HildaSolis @HollyJMitchell @LindseyPHorvath @kathrynbarger

Julie Hamill @hamill_law · Jul 31

I've removed every photo I can find of my children from public record, and should have done so long ago. I will not be intimidated back into the shadows, but I will not stand for you using my children as a weapon to silence me.

Julie Hamill @hamill_law · Jul 31

Any response, @AnonAliasSplad?

stevemur @stevemur · Jul 31

WTF? That seems like a major ethics violation.

Julie Hamill @hamill_law · Jul 31

This is the same lawyer who locked my client out of a deposition and then concocted a story about her being a security risk to keep her out. I was admonished for bringing a sanctions motion.

Under ethical rules for attorney, can you notify the adversary client of his attorney's bad behavior? There should be a way to inform a principal that his agent is doing things that the principal would not want done.
Or, you could notify the principal's political enemies.

 Can he be taken to the State Bar for possible ethics violations? It's a mute point as most state bars are firmly partisan &, in this case, will most likely favor him. Still it's worth a shot to at least put it on record that he was taken to the state bar for sleazy conduct

Have you considered taking the trial judge up to the appellate court on a writ? Refusing to protect a practicing attorney from this sort of harm has a strong potential for causing irreparable harm. It is also, arguably, a clear abuse of discretion on the part of the trial judge.

I've gone back and forth about whether to share this, but I think it's important to be transparent. During a deposition today in the Alliance case, counsel for the County, a Sheppard Mullin partner, introduced several very personal exhibits. One was a photo of my son.

The length that private law firms go to defend unlawful acts by government clients - on the taxpayer's dime - is very problematic. We need reform. These firms are incentivized to draw out action b/c it helps their bottom line. There is no incentive to do the right thing. I say this as someone who used to work for one of these firms.

There also needs to be some mechanism to punish govt officials who adopt policies that they know—or have been strongly advised—are unlawful, and then force private citizens to spend \$\$\$ and years on litigation just to have the policies declared unlawful.

Julie Hamill @hamill_law

In one exchange during the deposition of LADPH comms director, I inquired about the 172 reviews on the LADPH Facebook page shilling herbal herpes cures and cryptocurrency schemes. Ferrer told me the County wanted to make sure people coming to "their sites" are not seeing any misinformation. But if you want to know where to find an herbal herpes cure or a good cryptocurrency investment scheme, you can get that information on LADPH's Facebook page. Thanks, LA County!

10 **Fraias talking about herpes herbal cures again.**

11 **Have you seen these reviews?**

12 A. I may have in quickly scrolling through them.

13 Q. But you haven't reported these to Facebook.

14 A. No.

15 Q. Do you think that it's harmful to L.A. County

16 Department of Public Health to have these reviews

17 publicly posted on its Facebook page?

18 A. I don't -- I'm not sure. I don't think --

19 there's not a lot of traffic to this page. I don't

20 think it's beneficial, but I also don't think it's a

21 crisis or an emergency as well.

22 Q. If people want to get herbal herpes cures, they

23 know where to look.

It's fascinating how much Dr. Muntu Davis, the actual health officer, doesn't show up in these discussions. Brett Morrow and Babs Ferrer decide that people are lying about case numbers and mask efficacy, possessing a total of zero medical or virological training between them.

I certainly hope that the LA BOS is going to be fully investigated and prosecuted for the lack of protection of the taxpayers they're allowing criminals to take advantage of. Also their lack of integrity in upholding their oaths to protect citizens and the homeless & children!

This is a message to all the baby lawyers working as associates in BigLaw firms: You do not have to lie. You do not have to go along with whatever the partner tells you to do. It is not OK to lie, even if lying means more money. Get out before it's too late.

The partners love to play in the gray, and when they knowingly cross the line they retreat, and say it was a simple mistake or they didn't know.

Or worse, they boldly lie and sacrifice underlings in defense of the lie. And they get away with it, because of "prestige" and connections.

I received a privilege log that shows the LA DPH Comms Director reaching out to County lawyers about shutting off public comments for the first time on July 12, 2022. Tracks with the timing of this announcement.

L.A. Co. Health Dir. Barbara Ferrer says she'd impose an indoor mask mandate if the county enters the CDC's "high transmission" category...citing "equity" concerns.

That could happen by the end of July.

37 CA counties already in "high transmission" chose NOT to mandate masks.

Case documents are available at laparents.org/our-lawsuit. It began as a challenge to arbitrary and capricious mandates, and through discovery became a case about censorship. LADPH censored "opponents" and "anti-maskers" to silence dissent.

Lawyers for the County have taken their unethical behavior to another level following the denial of my motion for sanctions. As I predicted, their strategy is to harass and intimidate any Alliance member they can find. It's appalling. I'm embarrassed to share a profession with people like this.

I empathize. For too many years I saw L/E execs bend to the politics of Woke social justice, taking the Chamberlain appeasement path. Implicit bias/DEI 'struggle' trainings harrassed, demoralized the profession, forced cops to genuflect before BLM/Antifa mob. It was revolting.

Morrow was wearing a mask, right? Maybe he got mask fatigue. This is intriguing: "Are you concerned that this particular article still remains online?" "Not at this time, no. . . . Because very few people read articles from more than a year ago, I think, at this point."

And there's Morrow saying he wears a mask "if I'm with people I don't necessarily know personally as well, depending on certain situations." What is that? He knows his friends are vaccinated? That they're still being careful, so he can let down his guard around them?

The official line from LA DPH is that Brett was just trying to make sure that Twitter policies weren't violated. But, we've got LA DPH comms director going to the highest execs at Twitter (with an assist from Adam Schiff's office), who were involved in the massive federal censorship scheme at issue in Missouri v Biden, because the "report" function wasn't getting him anywhere and he needed to control the narrative on Covid.

 14 A. I believe so, yes.
 15 Q. Did you appeal after your reports were not

 20 Q. (By Ms. Hamill) So you reported these tweets.
 21 No action was taken. You told Twitter about them and
 22 asked if they could expedite. So what were you hoping
 23 Twitter would do?
 24 A. Expedite their process. I think, at that

We need to clearly make the point: the state is not even allowed to SUGGEST that an individual should be silenced. They can state the government's policy, and what they think of different views. That's it. And, ps, the government does not have a free speech right, folks.

Why is it government's job to ensure customers are following a private company's policies are being followed? It's tyranny, plain and simple.

The other day, I triggered some anonymous accounts with my comments that the BigLaw firms involved in the incestuous representation of social media companies and government agencies are not beacons of ethics. X Corp's filing against Wachtell perfectly demonstrates my point.

Jesse Franklin-Murdock @MurdockJDF · Jul 8

Very interesting lawsuit. X Corp. (Twitter) suing Wachtell Lipton, the law firm that represented Twitter in the Musk/Merger litigation. X Corp. alleges that Twitter's executives, while on their way out, paid Wachtell an exorbitant "success fee."

13. payment of substantial gifts to preferred law firms like Wachtell on top of the firm's full hourly billings by assigning tens of millions of dollars in bonuses to the firm's "success" or "project" fees. Despite having previously agreed to work on an hourly fee basis and subsequently charging millions in hourly fees under that arrangement, Wachtell disregarded both California law and its ethical and fiduciary duties in the final days of its four-month Twitter engagement to improperly solicit an unspecified—but clearly substantial—success fee, as part of a \$15.6 million "total" fee that also purported to satisfy Wachtell's 19. hourly success fee amount of \$1,243,547 per hour. The \$15.6 million fee constituted fees Twitter for a few months 20. of work on a single matter represented nearly 10% of Wachtell's gross revenue in 2022, just over 21. \$1 million per Wachtell partner.

To summarize - Wachtell charged Twitter \$90 million dollars for four months of M&A work, and Twitter execs wired the money to Wachtell ten minutes before they were terminated in the Musk takeover.

Wachtell is the biggest and baddest of these firms. They're all \$\$\$\$\$\$. That's it. And all these companies that "sell" end up raiding/emptying company bank accounts on the way out via success fees and one-time executive bonuses etc.

Here, we get to the part where the LA DPH comms director admits to emailing Lauren Culbertson, who was head of US public policy for Twitter at the time, for assistance dealing with "anti-maskers" and "opponents." He reached out to her via Patrick Boland, Adam Schiff's chief of staff. Why Boland? Because "Patrick knows a lot of people."

1 And is it your understanding that

8 MR. RAYGOR: Just a second. Is this going to

10 THE VIDEOGRAPHER: It's not even working.

11 MR. RAYGOR: Okay.

12 Q. (By Ms. Hamill) And what did Patrick tell you

13 about Lauren Culbertson?

14 A. He didn't tell me anything; he just gave me her

15 contact information and maybe told me her role.

16 Q. And what was the context? Did you reach out to

17 Patrick for help?

18 A. I believe so, yes.

19 Q. And what did you say to Patrick when you

20 reached out to him?

21 A. I don't remember. I think it was something

22 along the lines that we were concerned about certain

23 things happening on Twitter.

24 Q. Why would you contact Mr. Boland?

25 A. Patrick knows a lot of people.

Here, Kent schools me on the difference between forward and backlashes. That is why the County pays him the big bucks. And we hear about Brett's familiarity with @Johnnydontlike

```

2      MR. RAYGOR: Lacks foundation that there is a
3      John Phillips tweet in here.
4      MS. HAMILL: Well, let's go up to the number --
5      the first bullet point on Page 4. CDC is not
6      recommending masks. For example,
7      HTTPS://twitter.com/johnnydontlike.
8      Do you know that Twitter account?
9      MR. RAYGOR: First of all, mischaracterizes.
10     Those are forward slashes, not backslashes, and it
11     doesn't say Phillips; just Johnny don't like.
12     Q. (By Ms. Hamill) Are you familiar --
13     MR. RAYGOR: Lacks foundation.
14     Q. (By Ms. Hamill) Are you familiar with the
15     Johnnydontlike Twitter account?
16     A. I am, yes.
17     Q. Do you know who it belongs to?
18     A. John Phillips.
19     Q. And who is John Phillips?
20     A. I believe he's a radio broadcaster.
21     Q. And what are John Phillips' political leanings?
22     MR. RAYGOR: Objection. Calls for speculation.
23     THE WITNESS: I don't know. I don't listen to
24     him.
25     Q. (By Ms. Hamill) You don't listen to John

In March of 2020 the reason often given for treating this virus differently was that it could overwhelm, or overrun, the healthcare system. In 2020 and 2021 did LA County hospitals see more, or fewer patients, compared with the year prior?

Here, we get to the part where the LA DPH comms director admits to emailing Lauren Culbertson, who was head of US public policy for Twitter at the time, for assistance dealing with "anti-maskers" and "opponents." He reached out to her via Patrick Boland, Adam Schiff's chief of... [Show more](#)

Here comes Johnny @Johnnydontlike

12 Q. So going to Page 3 of this exhibit, at the
13 bottom, on July 26th at 2:54, you say: "Thank you so
14 much. A few other items have come up that require
15 urgent action. There is a lot of misinformation going
16 around L.A. County and upcoming mask requirements.
17 Opponents are spreading the following information:
18 Dr. Barbara Ferrer is a fake doctor. L.A. County is
19 lying about hospitalization numbers. CDC is not
20 recommending masks. For example" -- and then you link
21 to a John Phillips tweet -- "and masks are not effective
22 for adults or children. There are many more. I have
23 reported a few but have not heard back if action was
24 taken. Is it possible I can send links for misleading

12 Q. (By Ms. Hamill) Are you familiar --
13 MR. RAYGOR: Lacks foundation.
14 Q. (By Ms. Hamill) Are you familiar with the

16 A. I am, yes.
17 Q. Do you know who it belongs to?
18 A. John Phillips.
19 Q. And who is John Phillips?
20 A. I believe he's a radio broadcaster.
21 Q. And what are John Phillips' political leanings?
22 MR. RAYGOR: Objection. Calls for speculation.
23 THE WITNESS: I don't know. I don't listen to
24 him.

The County has moved for summary judgment in the Alliance case. They justify their actions by claiming to have made a number of "mistakes."

Oopsie!

3 Plaintiff alleges that "[o]n occasion, since August 21, 2022, DPH has forgotten to
 4 shut off public comments, and comments have sporadically been allowed on various posts."
 5 [FAP ¶ 143.] If at any time since closing written public commentary on its Social Media
 6 Accounts members of the public were able to post such commentary on LACDPH's Social
 7 Media Accounts at a time other than during a live "town hall"-type event, LACDPH simply
 8 made a mistake. [SUF #8.]

9 Plaintiff also alleges that following the closure of public commentary on its Social
 10 Media Accounts, LACDPH tagged third parties in posts on its Social Media Accounts, and
 11 "[a]nyone tagged in a post by DPH may comment." [FAP ¶ 143.]¹ This, too, was a mistake:
 12 LACDPH was not aware that third parties tagged in posts on its Social Media Accounts
 13 could comment on the posts, even though LACDPH had otherwise closed public
 14 commentary. [SUF #9.] Furthermore, from July 2022 to the present, no third party
 15 inadvertently tagged in an LACDPH post commented on the posts in which they were
 16 tagged. [SUF #10.]

I don't know anything about working for a BigLaw firm, but I do know it's LACK of interest, not disinterest. "Disinterest" means "impartiality."

When I was in Big Law we had an associate leave the office at 7ish to meet her family for dinner. A female partner just looked at her and said - you sure do spend a lot of time with your family. So I think the real answer is both of the above.

Depends.
Some people are built for long days and total career dedication, and they thrive.
If a person doesn't want to put in those long days/nights/weekends, they don't have to - they can start a small practice, or join one.
There is more than one way to practice law.

Where the Parties wish to have a confidentiality stipulation and protective order the parties in all civil cases, other than products liability cases, are encouraged to use this Stipulated Confidentiality Order Form as an initial working draft to save time.

Where this Stipulated Confidentiality Order Form is used, then any proposed stipulated confidentiality order submitted to the Court MUST be accompanied by a "redlined" or "compare" version of this Form, so that the Court may readily see ALL MODIFICATIONS that were made to this Form. This procedure is intended to save you and the Court time, and promote faster processing of these proposed orders.

This model form confidentiality stipulation and protective order (the "Stipulated Confidentiality Order Form") does not address, and may not be used in, products liability cases.

SUPERIOR COURT OF CALIFORNIA
COUNTY OF LOS ANGELES

ALLIANCE OF LOS ANGELES COUNTY PARENTS, an unincorporated association

Petitioner and Plaintiff,

v.

COUNTY OF LOS ANGELES COUNTY DEPARTMENT OF PUBLIC HEALTH; MUNTU DAVIS, in his official capacity as Health Officer for the County of Los Angeles; BARBARA FERRER, in her official capacity as Director of the County of Los Angeles Department of Public Health; and DOES 1 through 25, inclusive,

Respondents and Defendants.

Plaintiffs,

vs.

Defendants.

Case No. 22STCP02772

LOS ANGELES MODEL

STIPULATION — AND — PROTECTIVE ORDER — CONFIDENTIAL

DESIGNATION ONLY

~~IT IS HEREBY STIPULATED~~ by and between the Parties to Alliance of Los Angeles County Parents v. County of Los Angeles County Department of Public Health, et al., as well as Non-Party X Corp., Plaintiffs vs. Defendants, (list names of Plaintiffs and Defendants) by and through their respective counsel of record, that in order to facilitate the exchange of information and documents which may be subject to confidentiality limitations on disclosure due to federal laws, state laws, and privacy rights, the Parties stipulate as follows:

1. In this ~~Stipulation and~~ Protective Order, the words set forth below shall have the following meanings:

a. "Proceeding" means the above-entitled proceeding (22STCP02772).

b. "Court" means the Hon. ~~(list name of judge)~~ William F. Fahey, or any other judge to which this Proceeding may be assigned, including Court staff participating in such proceedings.

c. "Confidential" means any information which is in the possession of a Designating Party who believes in good faith that such information is entitled to confidential treatment under applicable law.

d. "Confidential Materials" means any Documents, Testimony or Information as defined below designated as "Confidential" pursuant to the provisions of this ~~Stipulation and~~ Protective Order.

e. "Designating Party" means the Party or non-Party (including, but not limited to, X Corp.) that designates Materials as "Confidential."

f. "Disclose" or "Disclosed" or "Disclosure" means to reveal, divulge, give, or make available Materials, or any part thereof, or any information contained therein.

g. "Documents" means (i) any "Writing," "Original," and "Duplicate" as those terms are defined by California Evidence Code Sections 250, 255, and 260, which have been

produced in discovery in this Proceeding by any person, and (ii) any copies, reproductions, or summaries of all or any part of the foregoing.

h. “Information” means the content of Documents or Testimony.

i. “Testimony” means all depositions, declarations or other testimony taken or used in this Proceeding.

2. The Designating Party shall have the right to designate as “Confidential” any Documents, Testimony or Information that the Designating Party in good faith believes to contain non-public information that is entitled to confidential treatment under applicable law.

3. The entry of this Stipulation and Protective Order does not alter, waive, modify, or abridge any right, privilege or protection otherwise available to any Party with respect to the discovery of matters, including but not limited to any Party’s right to assert the attorney-client privilege, the attorney work product doctrine, or other privileges, or any Party’s right to contest any such assertion.

4. Any Documents, Testimony or Information to be designated as “Confidential” must be clearly so designated before the Document, Testimony or Information is Disclosed or produced. The parties may agree that the case name and number are to be part of the “Confidential” designation. The “Confidential” designation should not obscure or interfere with the legibility of the designated Information.

a. For Documents (apart from transcripts of depositions or other pretrial or trial proceedings), the Designating Party must affix the legend “Confidential” on each page of any Document containing such designated Confidential Material.

b. For Testimony given in depositions the Designating Party may either:

i. identify on the record, before the close of the deposition, all “Confidential” Testimony, by specifying all portions of the Testimony that qualify as “Confidential;” or

ii. designate the entirety of the Testimony at the deposition as “Confidential” (before the deposition is concluded) with the right to identify more specific portions of the Testimony as to which protection is sought within 30 days following receipt of the deposition transcript. In circumstances where portions of the deposition Testimony are designated for protection, the transcript pages containing “Confidential” Information may be separately bound by the court reporter, who must affix to the top of each page the legend “Confidential,” as instructed by the Designating Party.

c. For Information produced in some form other than Documents, and for any other tangible items, including, without limitation, compact discs or DVDs, the Designating Party must affix in a prominent place on the exterior of the container or containers in which the Information or item is stored the legend “Confidential.” If only portions of the Information or item warrant protection, the Designating Party, to the extent practicable, shall identify the “Confidential” portions.

5. The inadvertent production by any of the ~~undersigned~~ Parties or non-Parties to the Proceedings of any Document, Testimony or Information during discovery in this Proceeding without a “Confidential” designation, shall be without prejudice to any claim that such item is “Confidential” and such Party shall not be held to have waived any rights by such inadvertent production. In the event that any Document, Testimony or Information that is subject to a “Confidential” designation is inadvertently produced without such designation, the Party that inadvertently produced the document shall give written notice of such inadvertent production within twenty (20) days of discovery of the inadvertent production, together with a further copy of the subject Document, Testimony or Information designated as “Confidential” (the “Inadvertent Production Notice”). Upon receipt of such Inadvertent Production Notice, the Party that received the inadvertently produced Document, Testimony or Information shall promptly destroy the inadvertently produced Document, Testimony or Information and all copies thereof, or, at the

expense of the producing Party, return such together with all copies of such Document, Testimony or Information to counsel for the producing Party and shall retain only the “Confidential” designated Materials. Should the receiving Party choose to destroy such inadvertently produced Document, Testimony or Information, the receiving Party shall notify the producing Party in writing of such destruction within ten (10) days of receipt of written notice of the inadvertent production. This provision is not intended to apply to any inadvertent production of any Information protected by attorney-client or work product privileges. In the event that this provision conflicts with any applicable law regarding waiver of confidentiality through the inadvertent production of Documents, Testimony or Information, such law shall govern.

6. In the event that counsel for a Party receiving Documents, Testimony or Information in discovery designated as “Confidential” objects to such designation with respect to any or all of such items, said counsel shall advise counsel for the Designating Party, in writing, of such objections, the specific Documents, Testimony or Information to which each objection pertains, and the specific reasons and support for such objections (the “Designation Objections”). Counsel for the Designating Party shall have thirty (30) days from receipt of the written Designation Objections to either (a) agree in writing to de-designate Documents, Testimony or Information pursuant to any or all of the Designation Objections and/or (b) file a motion with the Court seeking to uphold any or all designations on Documents, Testimony or Information addressed by the Designation Objections (the “Designation Motion”). Pending a resolution of the Designation Motion by the Court, any and all existing designations on the Documents, Testimony or Information at issue in such Motion shall remain in place. The Designating Party shall have the burden on any Designation Motion of establishing the applicability of its “Confidential” designation. In the event that the Designation Objections are neither timely agreed to nor timely addressed in the Designation Motion, then such Documents, Testimony or Information shall be de-designated in accordance with the Designation Objection applicable to such material.

7. Access to and/or Disclosure of Confidential Materials designated as “Confidential” shall be permitted only to the following persons:

a. the Court;

b. (1) Attorneys of record in the Proceedings and their affiliated attorneys, paralegals, clerical and secretarial staff employed by such attorneys who are actively involved in the Proceedings and are not employees of any Party. (2) In-house counsel to the ~~undersigned~~ Parties and the paralegal, clerical and secretarial staff employed by such counsel. Provided, however, that each non-lawyer given access to Confidential Materials shall be advised that such Materials are being Disclosed pursuant to, and are subject to, the terms of this ~~Stipulation and~~ Protective Order and that they may not be Disclosed other than pursuant to its terms;

~~e. those officers, directors, partners, members, employees and agents of all non designating Parties that counsel for such Parties deems necessary to aid counsel in the prosecution and defense of this Proceeding; provided, however, that prior to the Disclosure of Confidential Materials to any such officer, director, partner, member, employee or agent, counsel for the Party making the Disclosure shall deliver a copy of this Stipulation and Protective Order to such person, shall explain that such person is bound to follow the terms of such Order, and shall secure the signature of such person on a statement in the form attached hereto as Exhibit A;~~

~~d.c.~~ court reporters in this Proceeding (whether at depositions, hearings, or any other proceeding);

e.d. any deposition, trial or hearing witness in the Proceeding who previously has had access to the Confidential Materials, or who is currently or was previously an officer, director, partner, member, employee or agent of an entity that has had access to the Confidential Materials;

f.e. any deposition or non-trial hearing witness in the Proceeding who previously did not have access to the Confidential Materials; provided, however, that each such witness given access to Confidential Materials shall be advised that such Materials are being

Disclosed pursuant to, and are subject to, the terms of this ~~Stipulation and~~ Protective Order and that they may not be Disclosed other than pursuant to its terms;

~~g. — mock jury participants, provided, however, that prior to the Disclosure of Confidential Materials to any such mock jury participant, counsel for the Party making the Disclosure shall deliver a copy of this Stipulation and Protective Order to such person, shall explain that such person is bound to follow the terms of such Order, and shall secure the signature of such person on a statement in the form attached hereto as Exhibit A.~~

~~h. — outside experts or expert consultants consulted by the undersigned Parties or their counsel in connection with the Proceeding, whether or not retained to testify at any oral hearing; provided, however, that prior to the Disclosure of Confidential Materials to any such expert or expert consultant, counsel for the Party making the Disclosure shall deliver a copy of this Stipulation and Protective Order to such person, shall explain its terms to such person, and shall secure the signature of such person on a statement in the form attached hereto as Exhibit A. It shall be the obligation of counsel, upon learning of any breach or threatened breach of this Stipulation and Protective Order by any such expert or expert consultant, to promptly notify counsel for the Designating Party of such breach or threatened breach; and~~

~~i.f. — any other person that the Designating Party agrees to in writing.~~

8. Confidential Materials shall be used by the persons receiving them only for the purposes of preparing for, conducting, participating in the conduct of, and/or prosecuting and/or defending the Proceeding, and not for any business or other purpose whatsoever.

9. Any Party to the Proceeding (or other person subject to the terms of this ~~Stipulation and~~ Protective Order) may ask the Court, after appropriate notice to the other Parties to the Proceeding, to modify or grant relief from any provision of this ~~Stipulation and~~ Protective Order.

10. Entering into, agreeing to, and/or complying with the terms of this ~~Stipulation and~~ Protective Order shall not:

a. operate as an admission by any person that any particular Document, Testimony or Information marked “Confidential” contains or reflects trade secrets, proprietary, confidential or competitively sensitive business, commercial, financial or personal information; or

b. prejudice in any way the right of any Party (or any other person subject to the terms of this ~~Stipulation and~~ Protective Order):

i. to seek a determination by the Court of whether any particular Confidential Material should be subject to protection as “Confidential” under the terms of this ~~Stipulation and~~ Protective Order; or

ii. to seek relief from the Court on appropriate notice to all other Parties to the Proceeding from any provision(s) of this ~~Stipulation and~~ Protective Order, either generally or as to any particular Document, Material or Information.

11. Any Party to the Proceeding who has not executed this ~~Stipulation and~~ Protective Order as of the time it is presented to the Court for signature may thereafter become a Party to this ~~Stipulation and~~ Protective Order by its counsel’s signing and dating a copy thereof and filing the same with the Court, and serving copies of such signed and dated copy upon the other Parties to this ~~Stipulation and~~ Protective Order.

12. Any Information that may be produced by a non-Party witness in discovery in the Proceeding pursuant to subpoena or otherwise may be designated by such non-Party as “Confidential” under the terms of this ~~Stipulation and~~ Protective Order, and any such designation by a non-Party shall have the same force and effect, and create the same duties and obligations, as if made by one of the ~~undersigned~~ Parties hereto in the Proceeding. Any such designation shall also function as a consent by such producing Party to the authority of the Court in the Proceeding to resolve and conclusively determine any motion or other application made by any person or Party with respect to such designation, or any other matter otherwise arising under this ~~Stipulation and~~ Protective Order.

13. If any person subject to this ~~Stipulation and~~ Protective Order who has custody of any Confidential Materials receives a subpoena or other process (“Subpoena”) from any government or other person or entity demanding production of Confidential Materials, the recipient of the Subpoena shall promptly give notice of the same by electronic mail transmission, followed by either express mail or overnight delivery to counsel of record for the Designating Party, and shall furnish such counsel with a copy of the Subpoena. Upon receipt of this notice, the Designating Party may, in its sole discretion and at its own cost, move to quash or limit the Subpoena, otherwise oppose production of the Confidential Materials, and/or seek to obtain confidential treatment of such Confidential Materials from the subpoenaing person or entity to the fullest extent available under law. The recipient of the Subpoena may not produce any Documents, Testimony or Information pursuant to the Subpoena prior to the date specified for production on the Subpoena.

14. Nothing in this ~~Stipulation and~~ Protective Order shall be construed to preclude either Party from asserting in good faith that certain Confidential Materials require additional protection. The Parties shall meet and confer to agree upon the terms of such additional protection.

15. If, after execution of this ~~Stipulation and~~ Protective Order, any Confidential Materials submitted by a Designating Party under the terms of this ~~Stipulation and~~ Protective Order is Disclosed by a non-Designating Party to any person other than in the manner authorized by this ~~Stipulation and~~ Protective Order, the non-Designating Party responsible for the Disclosure shall bring all pertinent facts relating to the Disclosure of such Confidential Materials to the immediate attention of the Designating Party.

16. This ~~Stipulation and~~ Protective Order is entered into without prejudice to the right of any Party to knowingly waive the applicability of this ~~Stipulation and~~ Protective Order to any Confidential Materials designated by that Party. If the Designating Party uses Confidential Materials in a non-Confidential manner, then the Designating Party shall advise that the designation no longer applies.

17. Where any Confidential Materials, or Information derived from Confidential Materials, is included in any motion or other proceeding governed by California Rules of Court, Rules 2.550 and 2.551, the party shall follow those rules. With respect to discovery motions or other proceedings not governed by California Rules of Court, Rules 2.550 and 2.551, the following shall apply: If Confidential Materials or Information derived from Confidential Materials are submitted to or otherwise disclosed to the Court in connection with discovery motions and proceedings, the same shall be separately filed under seal with the clerk of the Court in an envelope marked: "CONFIDENTIAL - FILED UNDER SEAL PURSUANT TO PROTECTIVE ORDER AND WITHOUT ANY FURTHER SEALING ORDER REQUIRED."

18. The Parties, and relevant Non-Parties to the extent the Parties seek to use materials such Non-Parties have designated as "Confidential," shall meet and confer regarding the procedures for use of Confidential Materials at trial and shall move the Court for entry of an appropriate order.

19. Nothing in this ~~Stipulation and~~ Protective Order shall affect the admissibility into evidence of Confidential Materials, or abridge the rights of any person to seek judicial review or to pursue other appropriate judicial action with respect to any ruling made by the Court concerning the issue of the status of Protected Material.

20. This ~~Stipulation and~~ Protective Order shall continue to be binding after the conclusion of this Proceeding and all subsequent proceedings arising from this Proceeding, except that a Party may seek the written permission of the Designating Party or may move the Court for relief from the provisions of this ~~Stipulation and~~ Protective Order. To the extent permitted by law, the Court shall retain jurisdiction to enforce, modify, or reconsider this ~~Stipulation and~~ Protective Order, even after the Proceeding is terminated.

21. Upon written request made within thirty (30) days after the settlement or other termination of the Proceeding, the ~~undersigned~~ Parties shall have thirty (30) days to either (a) promptly return to counsel for each Designating Party all Confidential Materials and all copies

thereof (except that counsel for each Party may maintain in its files, in continuing compliance with the terms of this ~~Stipulation and~~ Protective Order, all work product, and one copy of each pleading filed with the Court {and one copy of each deposition together with the exhibits marked at the deposition})]*, (b) agree with counsel for the Designating Party upon appropriate methods and certification of destruction or other disposition of such Confidential Materials, or (c) as to any Documents, Testimony or other Information not addressed by sub-paragraphs (a) and (b), file a motion seeking a Court order regarding proper preservation of such Materials. To the extent permitted by law the Court shall retain continuing jurisdiction to review and rule upon the motion referred to in sub-paragraph (c) herein. ~~*[The bracketed portion of this provision shall be subject to agreement between counsel for the Parties in each case.]~~

22. ~~After this Stipulation and Protective Order has been signed by counsel for all Parties, it shall be presented to the Court for entry.~~ Counsel agree to be bound by the terms set forth herein with regard to any Confidential Materials that have been produced before the Court signs this ~~Stipulation and~~ Protective Order.

23. ~~The Parties, Non-Party X Corp. and all signatories to the Certification attached hereto as Exhibit A agree to be bound by this Stipulation and Protective Order pending its approval and entry by the Court.~~ In the event that the Court modifies this ~~Stipulation and~~ Protective Order, or in the event that the Court enters a different Protective Order, the Parties and non-Parties (including, but not limited to, X Corp.) agree to be bound by this ~~Stipulation and~~ Protective Order until such time as the Court may enter such a different Order. It is the Parties' intent to be bound by the terms of this ~~Stipulation and~~ Protective Order pending its entry so as to allow for immediate production of Confidential Materials under the terms herein.

~~This Stipulation and Protective Order may be executed in counterparts.~~
